EDUCATION

MSc in AI Engineering

University of Modena and Reggio Emilia (UNIMORE)

Jan 2025 – Present

- **Current GPA:** 30/30
- Specialized in advanced topics like Deep Learning Architectures, **Big Data and Text Analytics**, **Computer Vision**, and **AI for Bioinformatics**.

BSc in Computer Engineering

University of Modena and Reggio Emilia (UNIMORE)

Sept 2021 – Oct 2024

- **Final Grade:** 105/110
- **Average GPA:** 27.3/30
- Key Coursework includes: Algorithms and Data Structures, Operating Systems, Computer Networks, Software Engineering, Databases.

PROJECTS

SIDS Detector: Computer Vision for Infant Safety

Associated with UNIMORE | GitHub Repository

May 2025 – Sept 2025

- **Objective:** Developed a Computer Vision model for a smart baby monitor, utilizing **real-time posture analysis** to prevent SIDS (Sudden Infant Death Syndrome).
- **Technologies: Python**, OpenCV, Deep Learning (specifically **YOLOv8,YOLOv8_pose**), **PyTorch**, Git.
- **Role:** Designed and implemented a robust frame analysis system to classify "baby in danger" postures, focusing on achieving **high-reliability** performance.
- **Impact:** Applied advanced AI techniques to a critical real-world safety problem, demonstrating proficiency in both **Deep Learning modeling** and efficient system application development.

EXPERIENCE

Waiter / Catering Staff

Local Restaurants / Events

Oct 2024 - Oct 2024 Bologna

- Developed strong **time management** and **multitasking** skills by handling multiple client requests in fast-paced environments.
- Enhanced **client communication** and **problem-solving** abilities by effectively addressing customer needs.
- Demonstrated reliability and a strong work ethic through consistent weekend and evening shifts while maintaining a high academic performance.

TECHNICAL SKILLS

Python | C++ | Git/GitHub | Linux/Bash | SQL

PyTorch | OpenCV | scikit-learn | Data Analysis (Pandas/Numpy) | Computer Vision | Software Engineering

LANGUAGES

Italian ●●●●●

English ●●●○○

TRANSFERABLE SKILLS

Rapid Prototyping | Teamwork | Time Management | Problem-Solving
